

OVERVIEW

Aztech Integrated Systems is a locally owned and operated company with competencies to support a full spectrum of solutions in security integration - baseline assessment, design, implementation, project management, installation and monitoring of complex integrated systems. We pride ourselves on our professionalism and the ability to consistently provide a high level of service and ongoing support to our clientele. As such, we have established ourselves as one of the leading companies within our field in South East Queensland.

SERVICES

Aztech Integrated Systems provide installation, integration, maintenance and monitoring of electronic security systems including:

- ▲ Alarm Intrusion detection
- ▲ Commercial PA Systems
- ▲ Video Intercom Systems
- ▲ IP/Analogue Surveillance
- ▲ Access Control
- ▲ Data/Network Installations

EXPERTISE & PRODUCTS

Our Integrated Electronic Security systems utilise world-class, leading-edge technologies to deliver innovative, value for money solutions, balancing technical requirements against budget. With ongoing commitment, we have grown with the security industry, embracing new technology and innovations to provide the highest quality installations, products and services.
